*Refer to your manufacturer's handbook to change your video settings.

TRIMB2 ADAPTOR CABLE

· RECOMMENDATIONS

If you want to connect another camera, order the TRIMB dedicated cable to connect on Port A of your TM-200 unit. If your TMX-2050 (XCN-2050) terminal has no video input management, contact TRIMBLE to update the system. You need at least version V4.2.1. of the software.

· WARRANTY

The product is guaranteed for two years as from the date of sale to the end user, remembering that the sale must take place within 24 months after delivery to the concession.

· AFTER SALES SERVICE
