FENDT ADAPTOR CABLE (TRACTOR)

· INSTALLATION GUIDE

1.

Once the cameras connected, please close the door and turn the ignition on. Go in the menu «Camera».

2.

The cameras icons are first greyed out. After a few seconds, they will appear in color once detected bby the system. During the first installation, the display of the icons can last up to 2 min.

3.

You can choose the display mode and settings.
N.B : the number of the camera installed on the machine doesn't always match the one displayed on the screen (CAM1, CAM2, etc.).
